### Villanova Undergraduate Joins Cast of *9mm of Love*

PHILADELPHIA – **Alyse Keller**, a senior Communication major at **Villanova University** has joined the cast of *9mm of Love* playing the role of **Betsy**. Alyse has been heavily involved with theatre at Villanova, recently directing *Daniel on a Thursday* as part of a benefit for the Office of Disability Services, and starring as Brooke in Michael Frayn’s *Noises Off*. Last semester she interned at Arden Theatre Company.

“I am thrilled to be working with such a seasoned and talented creative team,” says Keller. “This will be a great opportunity to challenge myself and hone my craft. I know it will be an amazing journey and I’m so excited to get started!”

*9mm of Love*, a new play by Shane Borer, will receive its Philadelphia premiere as part of this year’s Philly Fringe. *9mm* runs from **September 12-16** at **Walking Fish Theatre**, located at 2509 Frankford Avenue in Philadelphia. All performances are at 9:30pm. Tickets are \$10 and are available by visiting the production website at <http://9mmoflove.wordpress.com>, or by contacting the Festival Box Office at **(215) 413-1318** or by visiting [www.livearts-fringe.org](http://www.livearts-fringe.org).

*9mm of Love* explores hopelessness, a hit man, and the human heart. This absurd, honest tale explores just how far we’re willing to go when true love comes, whether or not the other person feels the same way.
